

## DDA TENANT OWNERSHIP LOAN APPLICATION

### ABOUT THE DDA

Voters established the Downtown Development Authority (DDA) in November 2006 to provide programs and financial incentives to encourage Downtown development. DDA is governed by a board of 11 people appointed by Colorado Springs City Council. Downtown Partnership executes the work of the DDA as a contracted affiliate. In 2016, City Council adopted the [Experience Downtown Plan](#) as the updated plan of development for DDA. The DDA is funded in two ways: first, by a 5-mill tax levy within the district to support its operations, and second, through Tax Increment Financing (TIF). The latter tax is the capture of increased property tax revenues following a baseline assessment. TIF revenues go into a special fund and as it grows, the funds can be leveraged for support of Downtown projects. The DDA's TIF will expire in 2037. The DDA board meets monthly on the second Tuesday of each month.

### MISSION OF THE DDA

To build public and private investment partnerships that promote the physical and economic growth of Downtown Colorado Springs.

### PLAN OF DEVELOPMENT

The Experience Downtown Plan Volume 1 serves as the plan of development for DDA. The plan was created in 2016 as an update to the original Imagine Downtown Plan, which governed the DDA from 2007 through the newest plan's adoption in 2016. The Experience Downtown Plan consists of eight primary goals and 36 aligning action steps. The plan can be found at: [downtowncs.com/do-business/reports/](http://downtowncs.com/do-business/reports/).

### DISTRICT BOUNDARIES

The DDA encompasses roughly 1.1 square miles of Downtown. For a map, click [here](#).

### WHAT IS THE DDA LOAN PROGRAM FOR TENANT OWNERSHIP

The DDA Loan Program for Tenant Ownership (LPTO) was created in 2024 to assist Downtown storefront business owners in purchasing their existing location or another property within the Downtown Development Authority boundaries, thereby increasing retail stability through the number of owner-occupied buildings and allowing Downtown storefront business owners to stabilize by growing equity. This addresses Goal 1 of the Experience Downtown Master Plan: Economic and Cultural Heart of the Region.

The DDA LPTO offers loans intended to supplement private investment and requires an applicant to secure at least 60 percent of the cost of property acquisition through other private sources excluding the DDA LPTO loan; typically, a primary lender. Loan amounts shall be determined by the board of the DDA but in general are not likely to exceed \$250,000; loans may be used either for acquisition and/or construction and outfitting necessary for the operations of the primary business.

Approved loans typically may be offered below market rate. The lower limit of the rate will be set by the current long-term loan IRS Applicable Federal Rate (AFR), and the upper limit of the rate will be the prevailing rate for a 10-year or 15-year fixed-rate mortgage. (As of April 2024, these rates are 4.40% and

6.60%, respectively.) Rates shall not exceed 7.0% or the current IRS AFR; whichever is higher. The rate will be adjusted on a yearly basis on January 15, unless that date falls on a weekend or holiday, in which case the adjustment will occur on the first working day thereafter.

The loan repayment period may be up to 15 years in length and the payment schedule will follow a normal amortization schedule.
