

## RETAIL INCENTIVE GRANT PROGRAM

### **ABOUT THE DDA**

Voters established the Downtown Development Authority (DDA) in November 2006 to provide programs and financial incentives to encourage Downtown development. DDA is governed by a board of 11 people appointed by Colorado Springs City Council. Downtown Partnership executes the work of the DDA as a contracted affiliate. In 2016, City Council adopted the Experience Downtown Plan as the updated plan of development for DDA. The DDA is funded in two ways: first, by a 5-mill tax levy within the district to support its operations, and second, through Tax Increment Financing (TIF). The latter tax is the capture of increased property tax revenues following a baseline assessment. TIF revenues go into a special fund and as it grows, the funds can be leveraged for support of Downtown projects. The DDA's TIF will expire in 2037. The DDA board meets monthly on the second Tuesday of each month.

### **MISION OF THE DDA**

To build public and private investment partnerships that promote the physical and economic growth of Downtown Colorado Springs.

### **PLAN OF DEVELOPMENT**

The Experience Downtown Plan Volume 1 serves as the plan of development for DDA. The plan was created in 2016 as an update to the original Imagine Downtown Plan, which governed the DDA from 2007 through the newest plan's adoption in 2016. The Experience Downtown Plan consists of eight primary goals and 36 aligning action steps. The plan can be found at: [downtowncs.com/dda/](http://downtowncs.com/dda/).
